22nd MEDICAL FAIR INDIA from 11 to 13 March 2016 in Mumbai

Success story for growth market India to be continued

From 11 to 13 March 2016 Mumbai will see the 22nd MEDICAL FAIR INDIA – India’s No. 1 Trade Fair for Hospitals, Health Centres and Clinics – being held at the Bombay Convention & Exhibition Centre. Again with top attendance of over 450 exhibitors from 18 countries it will continue its success story for the strongly growing health market in India. Following on from the MEDICAL FAIR INDIA 2015 (held at rotating venues at New Delhi & Mumbai) the event in 2016 is expected to occupy over 16,000 square metres of exhibition space and attract to the tune of 12,000 international trade visitors.

Medical Fair India 2015 witnessed 10,640 trade visitors the entire portfolio of services, medical technology, surgical equipment’s and products related to medical industry. Mainly visitor target groups such as Doctors, surgeons, physiotherapist, hospital directors, process engineers and decision-makers from the area of hospital owners as well as representatives from ministries. Other principal themes addressed by MEDICAL FAIR INDIA 2016 include: medical device technology and products, furnishings, equipment and furniture for clinics, health centres, pharmacies and dispensaries as well as rehabilitation services and products.

Two accompanying, high-calibre technical conferences on the focal themes of “Healthcare Marketing in the 21st Century” as well as “Healthcare Technology and Medical Informatics” offer industry and health care actors an ideal platform to learn about trends and network with experts. Workshops at which exhibitors present their products and their enterprises round off the range.
