

IRAN WIRE in Tehran 2017:

Messe Düsseldorf organises the participation of international exhibitors at Iran Wire 2017

IRAN WIRE will be held in Teheran from 5 to 8 December 2017 as the only exhibition in Iran mapping the entire spectrum of wires, cables, tubes, pipes, profiles and related industries.

All international companies from the respective industries that want to showcase and sell their products will find a unique platform at IRAN WIRE as an attractive entry point into the emerging Iranian market.

Around 200 exhibitors are expected to present their innovative technical products in the areas of wires, cables, tubes, pipes and profiles. The four-day trade fair is organized by the Iranian Aria Group Conference and Exhibition Development Company in Tehran.

Messe Düsseldorf is the exclusive overseas associate and will be responsible for the canvassing and handling of international exhibitors. Furthermore, Messe Düsseldorf serves in a wide range of organisational areas, including international exhibitor registration, stand design and a smooth onsite operation at the Tehran International Permanent Fairground.

Companies wanting to exhibit at IRAN WIRE are requested to seek direct contact with Daniel Ryfisch (Tel. +49 211 4560-7793, RyfischD@messe-duesseldorf.de) and Cem Bağcı (Tel. +49 211 4560-478, BagciC@messe-duesseldorf.de).
