15 - 19 April 2024

Registrations already from all over the world!

Exhibitors at wire and Tube are looking forward to their Düsseldorf trade fairs 2024

Following the successful restart of wire and Tube in June 2022, preparations for the 2024 events are already in full swing. Three weeks after publication of the **early-bird offer**, more than 500 exhibitors have already registered for their leading trade fairs in Düsseldorf from 15 to 19 April 2024.

This emphasizes once more: the industries are committed to Düsseldorf as a location. The registrations received came from Germany, Europe and overseas. Many regular exhibitors and a large number of new exhibitors have already secured an attractive position in the Düsseldorf exhibition halls thanks to the early-bird offer.

The early-bird offer at significantly reduced conditions runs until 1 June 2023. For wire 2024, German-speaking companies can register at: www.wire.de/1330, English-speaking exhibitors at: www.wire.de/2330. The German link www.tube.de/1330 and the English link www.tube.de/2330 are active for Tube 2024.

"The two Düsseldorf trade fairs are absolute front-place for the wire and Tube sectors when it comes to presenting innovations from the relevant industries to a broad, international audience," says Daniel Ryfisch, Director wire/Tube & Flow Technologies at Messe Düsseldorf.
